

Equality and Human Rights Special December Edition

National Aids/HIV Awareness Day 2017

Wear something RED !

Sexual Health Team – wearing their red lippy!

VHK staff showing their support!

NHS Fife took part in National Aids and HIV Awareness Day with many patients and members of the public showing their support by donating and wearing 'something **RED**', many chose to wear the '**red ribbon**' as their symbol of support.

The theme of the day co-ordinated by Fife Centre for Equalities , was part of NHS Fife's Public Duty to promote Equalities and Human Rights.

NHS Fife gave out more than **1000 red ribbons** at two roadshows in Victoria Hospital (Kirkcaldy) and Queen Margaret Hospital. Other stalls and opportunities to pick up ribbons went on at other hospital sites too.

Our staff got involved too with collections/ donations received from...

- Dining Rooms – VHK & QMH
- Porters
- Reception staff
- IMPACT
- Consultants and individual staff
- Sexual Health Teams
- Contractors
- and many more...

Just how aware are we about Aids and HIV issues?

How aware are you of Aids/HIV issues?

77% of people said they were quite or very aware of Aids & HIV issues
